EXPERIENCE

OctoClub, Poway, CA

Chess Instructor – Jan. 2022–Sep. 2022

- Educated elementary-aged children in the game of chess; understanding of game rules; implemented strategies; introduced openings, and closings; assisted in complex chess and logic problems.

Sage Hill Ranch Gardens, Escondido, CA

Farm Worker & Vendor – Aug. 2022–Sep. 2022

- Experienced farmworker and Poway farmers market vendor: accounting, set up/closed down, kept inventory, sold produce, built customer relationships, promoted regenerative farming practices; harvested, planted, cleared

Math Tutor, San Diego County, CA

Tutor – Sep. 2020–Sep. 2022

- Assisted 5th–10th grade children in various areas of math (algebra, geometry, pre-calculus);
- Helped a recent Belarusian immigrant (native Russian speaker) to achieve top math score in her pre-calculus class

The Hop Stop, Poway, CA

Cook – Apr. 2022–May 2022

- Prepared salads, burgers, fries and various other foods, used frier, grill, closed the kitchen, prepared ingredients, washed dishes

Starbucks, Poway, CA

Barista – Jan. 2022 – Apr. 2022

- Crafted coffee, deep-cleaned the store, assisted customers with their orders

Hukama Produce, San Diego, Ramona, La Mesa, Leucadia

Farmers Market Vendor – June 2020–Sep. 2022

AWARDS

San Diego County Salute to Education - Ford dealers selected me as a recipient for their yearly scholarship to encourage high school students to continue their education

True Titan Award - school nomination-based award for displays of good character.

Sacramento State Fair - my artwork won first place in its category and another piece won an honorable mention

- Worked in diverse geographies – farmed in Ramona; sold produce at the Rancho Santa Fe, La Mesa, Leucadia, and Hillcrest markets.
- Experienced farmworker – harvesting, planting, sowing, clearing
- Sales skills: effectively communicated, provided excellent customer service, multilingual support, strengthened sales

Sunshine Studio, San Diego, CA

Learning supervisor – June 2018 – Aug. 2018

- Taught kids through Russian and Ukrainian folk stories and dance, supervised children during their summer camp, built connections and lasting memories with kids

EDUCATION

University of California Santa Barbara, Santa Barbara – Applied Math B.S.

June 2026

Poway High School, Poway – 10th–12th grade

June 2022

PROJECTS

Economics Club — Poway, CA Sep. 2020 - Aug. 2022

- Designed lectures, games, and interactive activities to engage students on campus on topics related to economics.
- Organized stock simulator game among club members resulting in a year-long competition in stock market performance

Fare 21 — Poway, CA Mar. 2020 - Apr. 2020

- Created a website at the beginning of the pandemic to help struggling small businesses in my community
- My website gained thousands of visitors within weeks; 3 businesses I didn't include reached out to be added to the website; Mayor at the time, Steve Vaus, made a Facebook post promoting my website
- Website included various ways to financially support failing small businesses including how to order takeout, how to buy gift cards, how to order pickup, and how to get food delivered.

Hydroponic Vegetables — Poway, CA Sep. 2020 - Aug. 2022

- Designed and built a hydroponic system at home to grow various vegetables such as Sweetie Baby Romaine Lettuce, Genovese Basil, and Pok Choi

Model United Nations – I won a research Award at a conference in Laguna Hills. Research Awards are awarded to people that wrote an exceptionally informative “position paper” in the name of the delegate they represent at a conference.

FLL – 3 years of First Lego League, a robotics competition, where my team made it to regionals. I was responsible for programming the robot and later took on building and design as well.

The Society of Civil and Structural Engineers
Architect Award granted for the best building exterior design

Google Cybersecurity Certificate
A certificate in general knowledge of the cybersecurity field
